- With regard to the District's new five-year strategic plan—The PYLUSD Advantage—the Superintendent indicated that the information booklets are being finalized and that the first "You Are the Advantage" recognition is scheduled for the August 20, 2013 meeting of the Board of Education.
- Dr. Domene invited Board members to attend the district's Management Symposium, which is scheduled for Thursday, August 15, 2013, at the District's Performing Arts Center. The theme of the event is "Orchestrating Our Future."
- In conclusion, the Superintendent provided a brief overview of the South Coast Air Quality Management District school bus replacement grant (valued at up to \$702,000) that the District had been awarded. This will enable the District to purchase four compressed natural gas (CNG) buses for a total cost to the District of \$34,000. EFFORTS TO RECRUIT CERTIFIED PERSONNEL

The employing agency declares that it has implemented in policy and practices a process for conducting a diligent search that includes, but is not limited to, distributing job announcements, contacting college and university placement centers, advertising in local newspapers, exploring incentives included in the Teaching as a Priority Block Grant (refer to www.cde.ca.gov for details), participating in state and regional recruitment centers and participating in job fairs in California.

If a suitable fully prepared teacher is not available to the school district, the district made reasonable efforts to recruit an individual for the assignment, in the following order:

- A candidate who qualifies and agrees to participate in an approved intern program in the region of the school district
- An individual who is scheduled to complete initial preparation requirements within six months
