SUPERINTENDENT'S REPORT

Superintendent Greg Plutko thanked our dedicated staff whether it be our teachers, classified staff, nutrition services workers, or custodians for all of the support we have given each other.

Dr. Plutko dedicated his report to the subject of grading and how that will be accomplished during this unprecedented time. Dr. Plutko noted that it is very difficult to match with a traditional grading system during this non-traditional form of instruction. He stated that we are trying to spend time thinking about that and the concept that the State Board of Education, California Department of Education, as well as the UC and Cal State universities are clear that they want students held harmless. Dr. Plutko invited Dr. Candy Plahy to share the research on grading that she has done so far. Dr. Plahy provided information on the topic and shared that the credit/incomplete is by far the best way to protect everyone. Dr. Plutko summed up by saying there is no one perfect answer on what we do to protect our students and what they have worked hard to achieve. We are working hard to do what is best for our students.

BOARD REPORT

Mrs. Carrie Buck reported that the Orange County School Board Association and the California School Board Association have been able to hold virtual meetings providing information on what is happening around the state and county and how we can support each other. Mrs. Buck interacted with teachers and staff and expressed the Board’s gratitude for their ability to do what needs to be done. She commented that the Board is committed to making sure we are taking care of kids and our employees and she looks forward to the time when she will see everyone again.

Mrs. Judi Carmona stated that at the last Board meeting she reported on behalf of upcoming events she hoped to participate in, but now her calendar is bare. She has had the opportunity to talk with people currently doing a wonderful job under these challenging circumstances. Mrs. Carmona commented on the resilience of our teachers, classified staff, and administrators and that she is so grateful that they are all part of our exceptional educational team. She looks forward to continuing to talk to everyone and thanked them for everything they do.

Mrs. Karin Freeman described how helpful it was to connect remotely with Delegate Assembly and hear new ideas and ways of looking at things. She was also able to participate remotely in an ROP meeting. Mrs. Freeman commented that it will be interesting to see what things will look like when we get back to business as it has the potential to be very altering for the near future. Mrs. Freeman concluded by thanking all of the team members for their commitment and dedication.

Mrs. Carol Downey agreed that it has been amazing to see the way that students and staff have adapted and met this challenge. She feels sad that seniors have to end their high school years this way and hopes that the fall will be a better time for them. Mrs. Downey concluded by thanking all of the innovative and talented staff for all they have done in such a short period of time.

Mr. Eric Padget concurred with everyone that it takes a village and everyone has stepped up to the challenge. As an educator, Mr. Padget knows it is hard to do your job in this very different time, and he is proud of our employees and their leadership. He, too, feels so bad for our senior students and all the “lasts” they will miss. High school graduation is a monumental milestone in the lives of many seniors. Mr. Padget mentioned that a lot is happening in the community to help our students and he is looking forward to seeing what we might be able to put together for them. He is extremely proud of our community and to be a board member.

BOARD OF TRUSTEES OF THE PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT

RESOLUTION NO. 24

**RESOLUTION DECLINING TO CURE AND CORRECT BOARD ACTION OF MARCH
10, 2020 MEETING**

WHEREAS, this Board, at its March 10, 2020 regular meeting, in closed session, approved the release and reassignment of Certificated Management employee #7516 pursuant to Education Code Section 44951; and

WHEREAS, on or about March 11, 2020, the District provided Certificated Management employee #7516 with notice of the release and reassignment as required by Education Code Section 44951; and

WHEREAS, on or about April 1, 2020, Certificated Management employee #7516 submitted a demand to cure and correct pursuant to Government Code Section 54960.1 with the Board of Education alleging the Board acted in violation of Government Code Section 54957.7(a) and Government Code Section 54957 (b)(2); and

WHEREAS, the agenda for the March 10, 2020 meeting included the above-described action to be taken in closed session as "Public Employment Discipline/Dismissal/Release;" and

WHEREAS, prior to going into closed session, Board President, Eric Padget, publicly announced all reasons the Board was entering closed session as required by Government Code Section 54957.7(a); and

WHEREAS, because Certificated Management employee #7516 was released and reassigned pursuant to Education Code Section 44951, the Board's action was "not for cause;" and

WHEREAS, Certificated Management employee #7516 was not provided with a 24 Hour Notice as described by Government Code Section 54957(b)(2); and

WHEREAS, the California Court of Appeal has recently concluded that a certificated administrator is not entitled to a notice described in Government Code Section 54957(b)(2) where the administrator is being released and reassigned from his or her position. *Hayes v. Temecula Valley Unified School District* (2018) 21 Cal.App.5th 735, 754; and

WHEREAS, Government Code Section 54960.1 lists a narrow set of statutes that are subject to the "cure and correct" process and Government Code Section 54957.7(a) is not one of those statutes.

NOW, THEREFORE, be it resolved as follows:

The April 1, 2020 demand by Certificated Management employee #7516 to cure and correct the action taken in closed session to release and reassign the employee pursuant to Education Code Section 44951 is denied because the Board complied with Government Code Section 54957.7(a).

Even if the Board did not comply with Government Code Section 54957.7(a), pursuant to Government Code Section 54960.1, an alleged violation of Section 54957.7(a) is not proper grounds for a demand to cure and correct.

The April 1, 2020 demand by Certificated Management employee #7516 is also denied because the release and reassignment of Certificated Management employee #7516 was “not for cause” and notice pursuant to Government Code Section 54957(b)(2) was not required. *Hayes v. Temecula Valley Unified School District* (2018) 21 Cal.App.5th 735, 754.

The allegations made in Certificated Management employee #7516’s April 1, 2020 demand are clearly frivolous and totally lacking in merit within the meaning of Government Code Section 54960.5.

ADOPTED by the Governing Board of the Placentia-Yorba Linda Unified School District on April 14, 2020, by the following vote:
