WHEREAS, pursuant to Education Code Sections 60119 and 60422(b), the Board is required to hold a public hearing to encourage participation by parents, teachers, members of the community interested in the affairs of the school district, and bargaining unit leaders, and;

WHEREAS, the Board is required to provide 10 days' notice of the public hearing or hearings, and;

WHEREAS, the notice shall contain the time, place, and purpose of the hearing and be posted in three public places within the school district, and;

WHEREAS, the hearing shall be held at a time that will encourage the attendance of teachers and parents and guardians of pupils who attend the schools in the district and shall not take place during or immediately following school hours, and;

WHEREAS, the governing Board of a school district, as part of the required hearing, shall also make a written determination as to whether each pupil enrolled in a foreign language or health course has sufficient textbooks or instructional materials that are consistent with the content and cycles of the curriculum frameworks adopted by the state board for those subjects, and;

WHEREAS, the governing Board shall also determine the availability of laboratory science equipment as applicable to science laboratory courses offered in grades 9-12, inclusive, and;

WHEREAS, a public hearing was held on June 24, 2008, and;

WHEREAS, the Board is required to make a determination as to whether each pupil in each school in the district has sufficient textbooks or instructional materials, or both, in each of the following subjects, as appropriate, that are consistent with the content and cycles of the curriculum framework adopted by the State Board:

- (i) Mathematics
- (ii) Science
- (iii) History-social science
- (iv) English/language arts, including the English language development component of an adopted program

NOW, THEREFORE BE IT RESOLVED, that the governing Board makes the determination that each pupil of the district, has available sufficient textbooks or instructional materials, or both, that are aligned to the content standards adopted pursuant to Education Code Section 60605 in each subject listed above, consistent with the content and cycles of the curriculum framework adopted by the State Board and adopted by this Board in accordance with the procedures as established.

BE IT FURTHER RESOLVED, that for the 2008-2009 school year, the Placentia-Yorba Linda Unified School District provides each pupil with sufficient textbooks or instructional materials, or both, that are aligned to the content standards adopted pursuant to Education Code Section 60605 in each subject listed above, consistent with the content and consistent with the cycles and content of the curriculum framework adopted by the State Board for those subjects.

BE IT FURTHER RESOLVED, that for the 2008-09 school year, the Placentia-Yorba Linda Unified School District has provided sufficient textbooks or instructional materials, or both, that are consistent with the content and cycles of the curriculum frameworks adopted by the state board, to each pupil enrolled in a foreign language or health course and that sufficient laboratory science equipment applicable to science laboratory courses offered in grades 9 – 12, inclusive, is available to pupils.

**RESOLUTION NO. 54**

**June 24, 2008**

WHEREAS, Education Code Section 60451 requires a local board certification process to ensure that textbooks adopted in grades 6-12, in the core subject areas, are aligned with state content standards; and

WHEREAS, a committee of teachers reviewed the textbooks in the core subject areas to ensure alignment to the state content standards; and,

WHEREAS, Curriculum Council reviewed and recommended adoption of the textbooks; these textbooks are being submitted to the governing board for certification of alignment to the standards and for conformity to AB 2519 legislation.

NOW, THEREFORE, BE IT RESOLVED, that the governing board in compliance with Education Code Section 60451 certifies that the attached textbook for grades 6-12 in the core subject area is aligned with the state content standards.

I hereby certify the foregoing to be a full, true, and correct copy of a resolution duly adopted by the Placentia-Yorba Linda Unified School District at a regular meeting of the said board held at Placentia, California on June 24, 2008.

**PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT**  
**Guiding Principles and Goals**  
**2008-2010**

**1. We expect all students to learn from a balanced academic core curriculum and reach their full potential.**

- A. All students will demonstrate continued and improved academic achievement in core content standards.
- B. Educational opportunities will be provided equitably to students across the district.
- C. Each student will be challenged to meet his/her individual potential regardless of school or classroom.
- D. Students will demonstrate technological competence to support their academic progress, communication, and future learning.
- E. Students will have the opportunity to enrich their educational experience through their participation in the arts.

**2. We are committed to providing quality educational programs in a safe, orderly environment.**

- A. Students will demonstrate increased levels of appropriate and socially acceptable behavior and will demonstrate respect and understanding for others.
- B. The district will implement a long-term strategic facilities plan that will provide for necessary new schools, site acquisitions, and renovation of existing schools within available revenue.
- C. Each school campus will be clean, well maintained, and secure.

**3. We encourage parents to be knowledgeable about and participate in their child's educational program.**

- A. Parents will be valued partners and participate in their child's educational program.
- B. Staff will communicate effectively with parents regarding student expectations and performance.
- C. Staff will respond to parent concerns and requests in a thorough, timely, and courteous manner.

**4. We expect all employees to be responsible for providing or supporting quality, nurturing educational experiences for all students.**

- A. A qualified and well-trained staff will provide an effective, supportive, and caring learning environment for students.
- B. Staff will work effectively with a diverse student population.

**5. We are committed to involving stakeholders in the decision-making process.**

- A. All representative opinions will be actively sought, heard, and considered in the decision-making process.
- B. The district will communicate effectively with the community regarding schools, programs, activities, and student achievement.

**6. We effectively manage resources in order to achieve the district's mission.**

The staff will ensure optimal use of resources to foster a climate of high achievement, efficiency, and excellence in delivering services to all stakeholders.
