**RESOLUTION NO. 19
AGREEMENT REGARDING THE IMPOSITION AND PAYMENT OF CAPITAL FACILITIES
CAPACITY CHARGES**

This Agreement Regarding the Imposition and Payment of Capital Facilities Capacity Charges ("Agreement") is entered into between the Orange County Sanitation District ("OCSD") and the Placentia-Yorba Linda Unified School District ("the District"). The Agreement is effective upon approval of the governing boards of the District and OCSD. OCSD and the District are sometimes individually referred to in this Agreement as each "Party," and collectively referred to as the "Parties."

RECITALS

Whereas, OCSD collects, treats, and disposes of wastewater generated within its boundaries. The District owns and operates properties within OCSD's boundaries, and discharges wastewater from these properties to the OCSD collection, treatment, and disposal system.

Whereas, OCSD levies a fee on property owners known as the "Capital Facilities Capacity Charge" ("CFCC"). OCSD uses CFCC revenues to pay for the capital construction of new facilities to accommodate projected growth. Property owners must pay the CFCC when they (1) newly connect to OCSD's system, or (2) expand the use of property that is already connected to OCSD's system. The requirements for payment of CFCCs are currently set forth in Ordinance No. OCSD-40.

Whereas, OCSD calculates the amount of CFCCs for non-residential properties based on, *inter alia*, the estimated relative demand for water associated with different property uses. OCSD categorizes each non-residential property use as low demand, average demand, or high demand. Currently, the base CFCC charges for low demand uses and average demand uses are Two Hundred and Seventy-Nine dollars (\$279) and One Thousand Seven Hundred and Thirty-Four dollars (\$1,734), respectively, per 1,000 square feet of a new or expanded structure.

Whereas, Sections 2.11 and 2.12 of Ordinance OCSD-40 specify how CFCCs are calculated for replacement structures and remodeled structures. Under these sections CFCCs are, in effect, based on the net increase in square footage of a replacement or remodeled structure as compared with the previously existing structure.

Whereas, Ordinance No. OCSD-40 currently requires OCSD to adjust the amount of CFCCs annually based on the increase in the Engineering News-Record construction cost index for Los Angeles ("ENR Index") as of December of the prior year. CFCCs are also adjusted periodically based on updates to OCSD's Facilities Master Plan. Each Master Plan identifies the capital improvement projects that will be necessary over the following twenty years to meet OCSD's needs, and the estimated cost of those projects. The CFCCs are based on the cost estimates set forth in the most recent Facilities Master Plan.

Whereas, pursuant to California Government Code Section 54999.3, OCSD and the District have negotiated the terms under which the District will pay CFCCs to OCSD. These terms are set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. Low Demand Category. For purposes of calculating CFCCs, OCSD shall categorize the District's use of property that it owns within OCSD as "low demand."

2. Payment of CFCCs. Effective July 1, 2011, the District shall pay CFCCs to OCSD pursuant to the requirements of Ordinance No. OCSD-40, as those requirements may be amended from time to time through successor ordinances, resolutions, and/or other documents. Without limiting the foregoing, the District acknowledges that the amount of the CFCC may be adjusted annually based on the ENR Index, and otherwise adjusted periodically based on updates to OCSD's Facilities Master Plan, all as described in the Recitals above.

3. Property Leased to Others Non-Education Related Uses. The District acknowledges that Section 1 above does not apply to property that the District leases to another person or entity for a purpose unrelated to education. OCSD may categorize any such property as average or high demand, as appropriate, based on the policies and criteria in place when the CFCC is imposed.

4. Termination. The obligations of the Parties under this Agreement shall terminate if and when OCSD should ever (1) recategorize the District's use of property that it owns as either average demand or high demand, or (2) modify the CFCC requirements such that CFCCs for replacement and remodeled structures are not, in effect, based on the net increase in square footage of a replacement or remodeled structure as compared with the previously existing structure. If the Agreement is so terminated, the District shall remain responsible for CFCCs incurred prior to termination.

5. Attorneys Fees and Costs. The Parties shall bear their own attorneys fees and costs incurred in connection with this matter, including but not limited to fees and costs incurred in connection with the Board Proceeding and the preparation of this Agreement.

6. Notices. Any notice, request, demand, consent, approval or other communication required or permitted hereunder or by law shall be deemed given or made only if in writing and deposited in the United States mail, postage prepaid and addressed to the party for whom intended, addressed as follows, or to such other address as may, from, time to time, be designated by written notice to the other Parties:

To the District: Placentia-Yorba Linda Unified School District
Attention: Doug Domene, Asst. Superintendent

7. Entire Agreement. This Agreement constitutes the entire understanding between the Parties hereto with respect to the subject matter set forth herein and supersedes any and all prior or other contemporaneous understandings, correspondence, negotiations, or agreements, written or oral between them respecting the within subject matter.

8. Amendments in Writing. Any amendments to this Agreement must be in writing and signed by all of the Parties.

9. Successors and Assigns. The terms and conditions of this Agreement shall inure to the benefit of, and be binding upon the Parties and their respective heirs, representatives, successors and assigns.

10. Interpretation. This Agreement is the result of negotiations in which each party was represented by counsel of their own selection. Each of the Parties hereby waives any provisions of law to the effect that an ambiguity in a contract or agreement should be interpreted against the Party that drafted the contract, agreement or instrument.

11. Governing Law. This Contract shall be governed by and construed according to the laws of California.

12. No Admission of Liability. This is a compromise settlement of disputed claims. Neither the execution of this Agreement nor anything contained in it is intended to be, nor shall be deemed to be, an admission by either party of any liability to anyone or an admission of the existence of facts upon which liability could be based.

13. Ownership of Claims. The Parties, and each of them, hereby warrant that they are the owners of, and the party legally entitled to settle and release, every claim referred to herein.

14. Severability. In the event any part of this Agreement should be found invalid, unenforceable, or nonbinding, the remaining portion will remain in force and fully binding.

15. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same agreement.
