RESOLUTION OF THE BOARD OF TRUSTEES OF
PLACENTIA-YORBA LINDA UNIFIED SCHOOL DISTRICT
ORANGE COUNTY, CALIFORNIA

Resolution No. 4

AUGUST 21, 2012

WHEREAS, the Placentia-Yorba Linda Unified School District (the "District") desires to request the County Treasurer to make temporary transfers (the "Transfer") of monies to meet its current maintenance expenses for fiscal years 2011-2012 and 2012-2013; and

WHEREAS, California Constitution Article XVI, Section 6, provides that the County Treasurer shall have the power and the duty to make temporary transfers of monies, as further specified therein, upon resolution adopted by the Board of Supervisors authorizing such temporary transfer; and

WHEREAS, pursuant to California Constitution Article XVI, Section 6 and Education Code Section 42620, the total amount that may be temporarily transferred to the District may not exceed 85% of the anticipated revenues which will accrue to the District during the fiscal year ("FY"); and

WHEREAS, the District has not issued, nor will issue, a TRAN or other borrowing or any kind or nature for the purpose of funding the District's short term cash flow, which is outstanding in whole or in part, while a Transfer is outstanding; and

WHEREAS, any Transfer to the District will be made from and limited to the Educational Money Market Fund.

NOW, THEREFORE, BE IT RESOLVED that this Board does hereby:

1. Find and determine that the Transfers are in the public interest and serve a valid public purpose.
2. The District Board of Trustees hereby requests transfers of monies from the Educational Money Market Fund to the District to cover the District's current maintenance expenses for FY 2011-2012 and FY 2012-2013. The amount of any Transfer cannot exceed 85% of the anticipated revenues which will accrue to the District during the fiscal year. This amount shall be certified by the District and the actual amount of any Transfer(s) will be approved, if at all, in the discretion of the County Treasurer, exercising her trust and fiduciary duties with respect to protecting all of the Educational Investment Pool participants from any principal loss and ensuring adequate liquidity to meet operating cash needs, that such monies are available for such Transfers. The District Superintendent and/or Assistant Superintendent of Business is hereby authorized and directed for and

on behalf of the District to formally request a Transfer in an amount and upon a date designated by the District Superintendent and/or Assistant Superintendent of Business, not to exceed the limitations to such Transfer as provided herein.

3. For FY 2011-2012, the District hereby requests that the Transfer be made by the Treasurer in one or more installments and not prior to July 1, 2011, nor later than April 30, 2012. The Transfer shall be repaid no later than October 31, 2012.

4. For FY 2012-2013, the District hereby requests that the Transfer be made by the Treasurer in one or more installments and not prior to July 1, 2012, nor later than April 30, 2013. The Transfer shall be repaid no later than October 31, 2013.

5. It is hereby requested that the Treasurer deposit Transfer installments to the District in the General Fund. All Transfers installments to the District will be made from and limited to the Educational Money Market Fund.

6. The monies transferred to the District shall be repaid to the Educational Investment Pool from the first revenues accruing to the District before any other obligation of the District is met from such revenue. Compound interest on any Transfer installment will accrue and be payable by the District at a rate equal to the gross rate the Educational Investment Pool is earning for the same period from the date of the Transfer plus five (5) basis points until the entire Transfer and applicable interest is repaid.

7. The monies transferred to the District will be repaid to the Educational Money Market Fund from the first revenues accruing to the District before any other obligation of the District is met from such revenue. Full repayment of any Transfer shall be made no later than October 31 following each fiscal year. The District understands and agrees that repayment of any and all Transfers is an obligation imposed by law and the obligation of the District to make payments with respect to such Transfer(s) is absolute and unconditional, payable from lawfully available funds of the District. In furtherance of the District's repayment obligations, District hereby grants the County a first lien and pledge of all District revenues accruing to the District for the purpose of repayment of the Transfer(s).

8. The District Board of Trustees hereby determines that it can meet its financial obligations as set forth in the Temporary Transfer Agreement presented to this Board. The Temporary Transfer Agreement is hereby approved and the District Superintendent and/or Assistant Superintendent of

Business is hereby authorized and directed to execute the Temporary Transfer Agreement on behalf of the District.

9. The Clerk/Secretary of the Board of Trustees is hereby directed to submit a certified copy of this Resolution to the Orange County Treasurer-Tax Collector.

10. This resolution shall take effect immediately.
