**SUPERINTENDENT’S REPORT.**

- Superintendent Domene attended the Girls Tennis CIF Championship game between Valencia and Yorba Linda in Claremont. It was a wonderful, spirited match, made even more special because it was the first time the team from Yorba Linda High School made it to the finals. Valencia won the match, and both teams had a lot of fun. Dr. Domene reminded everyone that Valencia Varsity Football plays Friday night against Villa Park in the second round of playoffs.
- The Superintendent recently attended the Orange County "Teacher of the Year" banquet at the Disneyland Hotel, and, as usual, it was a fantastic event – rivaling even the state ceremony.
- El Camino Real will be receiving a site visit soon to establish it as a Model Continuation School, and Yorba Linda Middle School is also being considered as a "School to Watch."
- The first Dual Language Academy parent information meeting was held last week, and we had 60 parents attend. Another informational workshop will be held in early December.
- In conclusion, Dr. Domene acknowledged it is the last Board meeting for Director of Transportation Steve UMBER, who is retiring next month. He mentioned that Steve has been a rock in his Cabinet, and his wealth of knowledge and great attitude will be missed. He wish Steve the best of luck in the future.

Placentia-Yorba Linda Unified School District

**Open/Closed Campus**

The Board of Education, in order to provide a supervised, safe, and orderly environment for the students of the Placentia-Yorba Linda Unified School District, establishes a "closed campus" for students in grades K-11. The board finds that school facilities and resources are adequate to serve the lunchtime needs for all of our students K-12. The board further believes that a closed campus benefits students by encouraging them to participate in school activities, rather than following other pursuits which may occur in an unsupervised environment. Once students arrive at school, they must remain on campus until the end of the school day unless they have been signed out by their parents/guardians and/or received permission from school authorities to leave for a specific purpose. Students who leave campus without such authorization shall be classified as truant and subject to disciplinary action.

As authorized by Education Code 44808.5, the governing board established an "open campus" at district high schools for eligible seniors. Seniors shall not leave the school grounds during lunch without an authorized pass obtained from the school office and authorized by their parent or guardian. By allowing our eligible seniors to leave campus during the lunch period, the board entrusts them with an opportunity to demonstrate responsible behavior and good citizenship. Seniors may not leave at any other time during the school day without written authorization of their parents/guardians and/or permission of school authorities. The privilege of open campus for seniors may be revoked from individual students for disciplinary reasons, such as tardiness or a failure to return for their next period prepared for class.

Parents who authorize their student to leave campus at any time during the day assume all liability and responsibility for their student. The district, board members, and district employees shall not be liable for the conduct and/or safety of seniors who leave school grounds during the lunch period (Education Code 44808.5).
