STUDENT BOARD REPORT

Student Board Member Nathan Brown provided a report of the activities and events occurring at the district’s high schools.

SUPERINTENDENT’S REPORT

Superintendent Greg Plutko indicated that last year all four of our comprehensive high school ASBs shared a day together as a group for a leadership day. He challenged them to continue to do more things together and looks forward to hearing the great things they have planned for the future.

Dr. Plutko commented that *Parenting OC* magazine named Yorba Linda High School as the best public high school in Orange County. He congratulated students and staff for this honor.

Superintendent Plutko mentioned that we are close to the start of the new school year. The students are coming back, and we will be ready for them. He further thanked staff for all of the summer work in preparation for the start of school.

The Superintendent shared that the District’s Special Education Department is having a retreat to focus on the collective efficacy of our students and a “yes they can” concept, all students learning and growing. He wished them well as they continue their great work and growth in that division.

SUPERINTENDENT'S REPORT (Continued)

Dr. Plutko invited Executive Director Richard McAlindin to speak regarding student safety and wellness and the time invested in our fidelity to our students' safety. Dr. Plutko then shared that all schools would finish a lockdown drill by the third week of school and commented that we need to be sure we continue to grow in this area.

The Superintendent shared that we are proud of our district's graduation rates. However, sometimes students run into something unexpected that puts them at a 5-10 credit deficit from participating in their graduation ceremony. Dr. Plutko invited Director Cary Johnson to share plans to have a district-wide summer graduation ceremony for the students who were able to make up their credits during the summer so they can experience something special together. After presenting, Mr. Johnson thanked our Board of Education for their continuous support of our students and all of their endeavors.

Dr. Plutko reported that the PYL APLE organization participated in a fundraiser last spring and won the prize for most participants at the event. They donated the money they received to the district, which will be used for our Gear Up program for student wellness. Dr. Plutko expressed how much we appreciate APLE and the contribution to the district.

In light of the first public speaker, the Superintendent wanted assure the Board that we want to be sure that our work is thorough and well done. These are independent reports, but once they are complete, it is our responsibility to ensure the final report is done correctly.

BOARD POLICYPlacentia-Yorba Linda Unified School District

Business and Noninstructional Operations

3515.4 - BP

RECOVERY FOR PROPERTY LOSS OR DAMAGE

The Governing Board desires to create a safe and secure learning environment and to minimize acts of vandalism and damage to school property. When district property is damaged due to the willful misconduct of a student or other person, the district shall seek reimbursement of damages, within the limitations specified in law, from the parent/guardian of a minor child or from any other responsible individual.

The district may collect debt owed by a student or former student as a result of vandalism or to cover the replacement cost of district books, supplies, or property loaned to a student that the student willfully fails to return or that is willfully cut, defaced, or otherwise injured. However, this policy shall not apply to a student who is a current or former homeless or foster child or youth.

The Superintendent or designee may withhold the student's grades, diploma, and/or transcripts until the student's parents/guardians have paid for the damages or the voluntary work has been completed. Prior to withholding a student's grades, diploma, or transcripts, due process shall be afforded the student in accordance with law.
