

TRICIA QUINTERO

Tricia Quintero was first elected as a member of the Placentia-Yorba Linda Unified School District (PYLUSD) Board of Education in 2024.

A graduate of California State University, Fullerton, Tricia earned a Bachelor of Science degree in Child Development, a multiple subject teaching credential, and a Master of Education from National University.

Tricia has called Placentia home for 24 years, where she resides with her husband. Her two children are proud graduates of PYLUSD schools, with her daughter currently attending the University of Oklahoma and her son studying at Purdue University.

Tricia's journey in education began as a preschool teacher's aide at the CSUF preschool. With over 25 years of experience as an elementary school teacher, she has served in various leadership roles, including grade-level chair, School Site Council member, PTA teacher representative, and safety committee member.

Her commitment to the community extends beyond the classroom. From 2008 to 2024, Tricia was deeply involved in her children's schools, serving on PTA and PTSA boards, including two years as PTA President at Wagner Elementary and three years as PTSA President at El Dorado High School. She also contributed as a team mom for varsity football, cheer, and wrestling teams. Tricia's dedication earned her three PTA Honorary Service Awards, and in 2024, the PYLUSD Board of Education recognized her efforts by naming her El Dorado High School's Community Honoree.

Tricia remains dedicated to fostering excellence in education and supporting the students, staff, and families of PYLUSD.
